

To the Honorable Commissioners of the FCC,

My name is Charlie Sweitzer. I work for _The Independent Film and Video Monthly_ and heard about this opportunity to voice my comments on the Biennial Review of the FCC's broadcast media ownership rules through the AIVF.

I would like to voice my own support and belief in retaining all the FCC rules in question. It is vital that we not forget the value and, sadly, ever-increasing rarity of an open forum for public discussion, and if even one of these rules or bans is lifted our intellectual liberties will be unconditionally compromised.

Thank you,

Charlie Sweitzer
